TOP TIER GOLF DESIGNED BY TOM WATSON

Kansas City native and World Golf Hall of Fame Member Tom Watson designed the course at The National, the area's top golf experience and one many consider among the most challenging—and rewarding—in the country. Each hole at The National is in perfect harmony with the rolling terrain, striking bluffs and wooded glens, offering spectacular views and elevations unique to the Parkville countryside.

Each hole at The National offers spectacular views and unique challenges for golfers of all skill levels. Number 9 takes your breath away with its 100-foot drop from the tee to the fairway. Number 17 tests you with its lengthy fairway, hard-to-read green, plus a few hazards along the way. And of course, the 18th guides you up to our graceful clubhouse. Our enthusiastic golf management team and dedicated staff perform impeccable conditioning.

WELCOME NIGHT NATIONAL WWI MUSEUM & MEMORIAL

WWW.THEWORLDWAR.ORG

Their Mission

The National WWI Museum and Memorial is America's leading institution dedicated to remembering, interpreting and understanding the Great War and its enduring impact on the global community. The Museum and Memorial fulfills its mission by:

- Maintaining the Liberty Memorial as a beacon of freedom and a symbol of the courage, patriotism, sacrifice, and honor of all who served in World War I
- Interpreting the history of World War I to encourage public involvement and informed decision-making
- Providing exhibitions and educational programs that engage diverse audiences
- Collecting and preserving historical materials with the highest professional standards

Their Commitment

The First World War involved people from many nations and from diverse walks of life, and the Museum and Memorial bears responsibility for sharing their stories. As such, we are committed to being an organization where equity, inclusion and diversity merge to create a space of belonging. We extend a universal welcome without regard to race, religion, gender, disability, sexual orientation or other characteristics, and we are committed to have a workforce where employees of all backgrounds, experiences and perspectives enhance our work.

The National WWI Museum and Memorial's programming, collections and exhibitions mirror this commitment, and we pledge to continually seek and remove barriers to full inclusion of historically underrepresented groups.

The National WWI Museum and Memorial is closed on Monday, April 1; but will be opening at 4:30 pm for AGC of Missouri. Registrants are welcome to do self-tours late Monday afternoon from 4:30-6 pm. AGCMO Welcome Night event (cocktails and dinner) is 6-9 pm. Registrants will either ride the FREE Kansas City Streetcar to/from WWI Museum; or AGCMO will arrange a shuttle (for 6-9 pm event ONLY.) Final details are to be announced.

KEYNOTE SPEAKER

SAM GOODWIN WINNING THROUGH UNCERTAINTY

Sam is an American entrepreneur, author and thought leader on embracing uncertainty. He played Division I college ice hockey, co-founded an online tech company and NGO in Singapore and has traveled to every country in the world. Sam was wrongfully imprisoned on false charges of espionage in Syria in 2019. Today, Goodwin shares his experiences through speaking engagements worldwide. His passionate storytelling, unpredictable humor and authentic message make each presentation and interaction genuinely transformational.

BREAKOUT SESSIONS

LEADERS & LEGENDS PANEL DISCUSSION

LEADERS & LEGENDS

Panelists will answer questions about their careers, life goals, pitfalls, successes, mentors, etc. in order to assist future leaders. Past sessions have received rave reviews from attendees.

PROGRAM SPEAKER

JEFF SHOAF CHIEF OPERATING OFFICER, AGC OF AMERICA

Jeff Shoaf is the incoming CEO of the Associated General Contractors of America. He was selected to be AGC's CEO in 2023 by a search committee made up of current and past leaders of the national association. He takes the CEO job after the AGC Convention in March. Jeff is currently the Chief Operating Officer (COO) of AGC, a job he has held for the last six years. Departments reporting to him in that role include Finance, HR, IT, BD, Marketing, Meetings and Education. Prior to taking the post as COO, Jeff worked in AGC's Government Relations department as a lobbyist and as head of the department for more than

20 years. He worked on Capitol Hill prior to joining AGC where he served on the staff of the House Transportation Committee and for Congressman Bud Shuster of Pennsylvania for nearly 8 years. He is a graduate of James Madison University. Jeff lives in Virginia with his wife, has three daughters and two grandchildren.

INDUSTRY SAFETY UPDATE & FORECAST MEMBER BENEFITS PANEL DISCUSSION

Safety First! Is what we all hear around the industry; join us as safety professionals discuss the current state of the industry and what is on the horizon. As we discuss Hard Hats to Helmets, HEAT, various OSHA NEP's (National Emphasis Programs) and the benefit of being an AGCMO member.

AGCMO PAC AUCTION

AGC OF MISSOURI

The 36th AGCMO PAC Auction will be Tuesday evening, April 2. The Ritchie Bros. Auctioneers crew will join us and catch the bids. The PAC Auction is the largest single revenue stream for our PAC and we need everyone (the Highway & Transportation, Utility Infrastructure and Building Division members) to participate. Your support of this event is essential. The PAC fund balance ebbs and flows based upon the election cycles.

Consider making a donation and participating in this year's event (it's a blast to be there!). If you would prefer to make a monetary donation, simply return your check payable to AGCMO PAC. If you'd like for us to purchase an auction item with your contribution, it's as easy as checking a box! Our history of donated items is outstanding: special events and experiences, home décor, sporting event tickets, guided hunts, electronics, firearms, golf packages, golf accessories, framed prints, jewelry, etc. The sky is the limit.
