CHAPTER NEWS

CHAPTER EXCHANGE

AGC's Chapter Exchange Website – AGC's Newest Resource is now LIVE!

Check out your new site at <http://chapters.agc.org>

AGC is excited to announce the launch of an exclusive Chapter resource – the *AGC Chapter Exchange*. AGC's brand new Chapter website will serve as the newest and best resource for Chapter executives and staff nationwide. Visit <http://chapters.agc.org> to access membership and educational program information and forms, share best practices with fellow Chapter execs, and learn more about upcoming meetings and events.

The new website is organized in four sections: tools; chapter best practices; events; and communications. Each section includes everything you need from AGC of America to help make your job easier, including little-known resources and a place to share your ideas with other Chapters and national AGC. Please note you will be required to log in.

The previous Chapter website will no longer be active, so please bookmark the new site at <http://chapters.agc.org>. Visit often and feel free to submit your comments and suggestions.
