FOR IMMEDIATE RELEASE

Lee Burford Joins Holland Construction Services as Senior Project Manager

SWANSEA, IL - Mike Marchal, president of Holland Construction Services (Holland), is pleased to announce that Lee Burford has joined the Holland team as Senior Project Manager.

Lee comes to Holland with over 36 years of construction management experience overseeing a variety of multi-million dollar projects both as a project manager and project director.

Lee has the designation of Certified Professional Constructor, the American Institute of Constructors highest level of certification only given to established constructors with years of project oversight experience. He received his Bachelor of Science degree in Construction Management from Bradley University.

About Holland

Holland Construction Services is a full-service construction management, general contracting, and design/build firm based in Swansea, Ill., guided by the principle of providing our clients the best possible building experience on every project. Holland has been providing quality construction services throughout Illinois and Missouri since 1986, when it was founded by company CEO Bruce Holland.

Holland offers pre-construction, construction and building information modeling services to retail, office, healthcare, educational, multi-family, recreational, institutional, and light industrial clients. The St. Louis Business Journal ranks Holland as a “Best Places to Work” and one of the top 15 contractors in the St. Louis area. For more information, visit Holland’s website at www.hollandcs.com.
