

FOR IMMEDIATE RELEASE

Fenton, MO – October 24, 2016 -- **Grant Contracting has been named a 2016 Safety Advantage Award Winner by the Mason Contractors Association of America.**

The Mason Contractors Association of America (MCAA) presented the *MCAA Safety Advantage Awards* to six companies on Tuesday, October 4, 2016, during the MCAA Midyear Meeting Board Meeting. The goal of the MCAA Safety Advantage Awards is to help draw attention to the needs and benefits of performing and working safely.

The MCAA Safety Advantage Awards are presented based on a mason contractor's incident rate. Awards were presented to the top companies with greater than 100,000 hours worked by all employees, and the top companies with less than 100,000 hours worked by all employees.

Grant Contracting Co. is a St. Louis-based Certified Mason Contractor, and has been providing quality masonry craftsmanship, in a safe and timely manner for seventy years.
