FOR IMMEDIATE RELEASE

Holland Construction Services Breaks Ground on New Apartment Complex in Maplewood, Missouri

MAPLEWOOD, MO - Holland Construction Services, Inc. (Holland) recently began work on Sunnen Station Apartments in Maplewood, Missouri. This new \$31.5 million apartment complex, being developed by the Sunnen Family, in conjunction with Cozad Commercial Real Estate, will be the first new apartment construction in the city of Maplewood in several years.

The new four-story complex will contain 174 units comprised of studios, 1-bedroom, and 2-bedroom apartments, featuring a variety of floor plans. The 186,402 square-foot facility will also feature a swimming pool, sun deck, barbeque patio, a sport court, and a gated parking lot.

Forum Studio out of St. Louis, Missouri, is the architect on the project. Work on the new complex is scheduled to be complete December 2017.

About Holland

Holland Construction Services is a full-service construction management, general contracting, and design/build firm based in Swansea, Ill., guided by the principle of providing our clients the best possible building experience on every project. Holland has been providing quality construction services throughout Illinois and Missouri since 1986, when it was founded by company CEO Bruce Holland.

Holland offers pre-construction, construction and building information modeling services to retail, office, healthcare, educational, multi-family, recreational, institutional, and light industrial clients. The St. Louis Business Journal ranks Holland as a “Best Places to Work” and one of the top 15 contractors in the St. Louis area. For more information, visit Holland’s website at www.hollandcs.com.
